01. Asset material diversion (Part VI, line 5)

In May 2009 a new President and Vice-President were elected. The old President and Vice-President served from approximately 2005-2009. The new President discovered that the old Treasurer had been writing checks to herself on a semi-regular basis. These checks were in the 1-5K range and this had been going on for about 4 years. She apparently was labeling these checks as "Reimbursements" but since no one was checking her financial records, it wasn't discovered until the new officers were elected. The new officers wanted to have a financial audit performed. After several attempts to get in touch with the past treasurer, she finally admitted that she had taken money from the Association. After ordering copies of checks on the account as far back as possible, the association determined that the old treasurer had written approximately \$128,000.00 in check to herself over a period of 4-5 years.

After discussing the issue with the Elected Board of Directors and her Attorney, an agreement was reached where we would accept \$135K in restitution and we would not press charges (\$128K plus 7K in interest on a SAM's Club bill that should have been paid monthly but ran a balance for several years). The Financial situation was such that if the Association did not get the restitution in a relatively short period of time, the Association would fail financially. The Board felt that getting back the money was more important than prosecuting her and if she were prosecuted, the Association would not have received the restitution in a timely manner and would have folded and several of the sports would have had to stop mid season.
